

# Hunting on DNR-managed Lands: Where do you need a Discover Pass?

## With WA Dept. of Fish & Wildlife Game Management Units (GMUs)

### State Trust Lands

Department of Natural Resources (DNR)-managed State Trust Lands provide income—mostly to help build public schools and universities, and pay for services in many counties. Trust land forests are working forests that also are managed to protect healthy native habitats that support fish and wildlife, and offer opportunities for research, education and recreation. DNR's management of these working forests has earned them 'green certification.' DNR also manages conservation lands in designated natural area preserves and natural resources conservation areas.

For current information on recreation access to DNR-managed lands, visit: [dnr.wa.gov/recreation](http://dnr.wa.gov/recreation)

### WDFW GMUs

For Washington's Big Game Hunting Seasons & Regulations go to: [wdfw.wa.gov/hunting/regulations/](http://wdfw.wa.gov/hunting/regulations/)  
For interactive hunting maps go to: [wdfw.wa.gov/mapping/gohunt](http://wdfw.wa.gov/mapping/gohunt)

DNR-managed lands where a Discover Pass is NOT required  
1.2 million acres

DNR-managed Lands  
Requiring a Discover Pass:  
1.9 million acres

- Developed Recreation Facilities & Trailheads
- Recreation Areas
- DNR-managed Natural Areas
